Dear Mr. Weisberg,

I am terribly sorry for the delay in sending you the money for your books. Enclosed you will find a check for $69.60, payment for the sale of 8 Whitewash I, 4 WWII, 3 WW III, 1 WWIV, and 2 Frame-up books. If you find any errors in my calculations please bring them to my attention. (Math is not my forte!)

The books arrived in time for the second day of the Fair. Although our booth did not realize a profit, we did get close to 3000 signatures on our petition, as well as some positive exposure to the public. We were also able to get some new people interested and active in our organization.

Again I must apologize for the delay, but planning our demonstration against Ford and a bout with the flu have kept me from much of my work.

If it is alright with you, we'd like to keep the remainder of your books for about another month. We will have a booth at two large neighborhood festivals and some of our members would still like to purchase some of your books. The more we sell, the smaller the shipping charges for us.

I'll be sure to let you know when the Courier interview will be

run. I haven't heard anything about it lately. The program with Professor Wrone on the King assassination was aired last Sunday. It went over quite well I thought.

Thank you very much for providing us with the opportunity of selling your respected works. I'll keep in touch.

Respectfully,

Jim Ravet
